**ON THE COVER:** At the 37th Annual Gulf Breeze Family Fishing Rodeo in 2012, Gulf Breeze teenager Kendall McMullen won the Amberjack category when she reeled in this 64.1 pound fish. Her father, Steve McMullen, describes how she caught the fish single-handedly. "She never took the rod out of the rod holder, she just stood there and kept cranking!" Kendall is currently attending Florida State University.

- To think only the best, to work only for the best, and to expect only the best.
- To be just as enthusiastic about the success of others as you are about your own.
- To forget the mistakes of the past and press on to the greater achievements of the future.
- To wear a cheerful countenance at all times and give every living creature you meet a smile.
